

## By JUNIORS STUDENTS

### Who we are?

My fellow students and I are junior students at STEM Ismailia High School. Our mission is to enhance the school community and support sophomore students in accessing STEM school resources to advance education in Egypt. We are dedicated to helping these students become better prepared academically, enabling them to qualify for scholarships, both within Egypt and abroad, including opportunities in the USA, the UK, and the EU through online and offline sessions that will be made by Mentors of the club.

### Ismailia STEM High School's education:

STEM Ismailia is an Egyptian public high school that provides top-notch education for academically-motivated students.
